

***I Am Pilgrim* by Terry Hayes**
Atria/Emily Bestler Books (May 27, 2014)

Two men, both attempting to remain invisible to the world around them, are unknowingly at odds. “Pilgrim” is an American intelligence operative who, despite wanting to retire to a “normal” life, stumbles upon the biggest case of his career. His story starts with an unrelated murder in a seedy New York hotel room and quickly escalates to a matter of national security. The events unfold in slow motion, and we see the past and present from both Pilgrim’s perspective and that of his unknown adversary, a man of single-minded devotion and incredible danger. In his debut novel, Hollywood screenwriter and producer Terry Hayes has concocted a riveting 600-page read that is part police procedural, part international spy thriller, and all ready for adaptation. --[Robin A.
